Mini whiteboards that last

Show-me Boards are the only fully recyclable mini whiteboards on the market. Protect the environment and your budget by investing in mini whiteboards designed to last.

Proven long-lasting protective layers to seal printed designs for longer than other whiteboards

Mini Foam Erasers included in all Classpacks and Bulk Boxes

Ultra-smooth, glossy surface for optimal erasability

Made from 100% recyclable materials

Made from virtually indestructible plastic

Top-quality Show-me Drywipe Markers in all Classpacks and Bulk Boxes

Classroom Essentials

WHITEBOARDS

A bunch of white rectangles don't really tell the full story do they?

10 Reasons why Show-me Whiteboards are still the favourite.

Don't help fill up landfill sites

Show-me Boards are the only fully recyclable mini whiteboards, just pop them into your usual recycling bin.

Less travelled

Show-me Boards are made in the UK, so haven't been shipped around the world.

Free from nasties

Unlike mini-whiteboards made from PVC or MDF, ours don't contain nasties like lead or chlorine.

Seriously flexible!

This makes them way harder to use as a weapon and they won't snap – ever.

Fully recyclable

Show-me whiteboards are made from fully recyclable PP.

Classpacks & Bulk Boxes

Each board comes with one drywipe marker and eraser, everything you need to get started straight out of the box. No need for multiple deliveries.

Extras included

Each pack includes a couple of extras to keep your boards in top condition.

Mini whiteboards are great for making learning interesting and engaging for all ages and abilities across the curriculum.

Classroom Essentials

A4 Whiteboards

For those repeated activities which don't need to be recorded in books, mini whiteboards are perfect.

As well as mastering key concepts quicker, you'll also be helping to protect our planet, and your budget, by using less paper.

Whiteboard Cleaners

The Show-me step-by-step process for cleaning your whiteboards

Step 1: Erase

- Once the ink is dry (normally less than 30 seconds) and no longer needed, use your favourite drywipe eraser to remove the ink from the surface. Normally foam or felt.

Step 2: Clean

- Spray the whiteboard cleaner directly onto your drywipe surface, one spray at a time
- Wipe the surface clean with a soft absorbent tissue until the marks cannot be removed
- Repeat the process above as required

Step 3: Renovate

- Spray Show-me Magix onto the surface in small sections
- Wipe the surface clean with a soft cloth to remove the stubborn stains and ink

Step 4: Condition

- Lightly spray the entire surface with Show-me Magix
- Leave to dry for 30 seconds
- Wipe clean with a soft tissue

Step 1 Drywipe Erasers

- Mini Foam Erasers: Ideal for small hands in the classroom, easy-to-hold and lightweight to avoid unwanted injuries
- Wooden-handled Erasers: Sustainable wooden handles with ergonomic grip for use by children and adults alike
- Magnetic Erasers: Designed for the user's comfort, can be stored easily on any magnetic whiteboard
